Established in 1963, D & B Wholesale Pty Ltd has been servicing the Australian Hardware Market with Quality Hardware Products in both packaged and bulk form. D & B has grown over the decades to be the number 1 supplier of the largest range of plastic and rubber chair tip and tube closures in the country.

As a family run company, we are able to provide quality Australian Made product accompanied by efficient, personalised service. D & B products are GUARANTEED to perform to their expected level. All rubber items are produced using Virgin Natural Rubber, and not reconstituted material.
